UEMS Section of Occupational Medicine

Information: Please return this form and the attachments (information regarding your education and current or finished specialist training process – see below) by e-mail to the examination organising committee of the Occupational Medicine Section: uems.om.exam@gmail.com before 30.09.2025 at the latest.

After receiving the Application the details and data for payment of 700,00 EUR (at least 7 days before the exam) is going to be delivered.

The applicant must provide a confirmation issued by the Medical Chamber or the Ministry of Health or the official National Medical Association (member of UEMS), that he/she is either **specialist in Occupational Medicine with full competency or resident/trainee in the fourth year of training.**

The personal data are stored and used exclusively for the Assessment process.
